**Come to visit us –
we welcome the opportunity
to show you around.**

Dear customers and friends,

Vladimir Dokov
Managing Director
Euro Games Technology

I am proud to present you the latest edition of our product catalogue. To launch more and better developments every year has become a tradition for EGT and with every new machine, game, or system we achieve and give more. Within these pages you will find numerous products that are a result of an extensive research on the needs of our clients, the latest technological advancements and players' preferences. We have put in a lot of creativity, team effort and experience to match or even exceed your expectations.

EGT's **General Series** of **slot machines** will bring our latest innovations at your doorstep with the newly added groundbreaking family members. The models' various curved displays are only part of their strong advantages that will immediately raise your players' satisfaction.

New **single games**, targeting the markets of North and Latin America, **multi-game mixes** and **jackpot systems** have also joined our portfolio, refreshing it with a vast array of titles with different themes, felt-like-real graphics and high-performing math models.

You will also read about our **VLT and Spider systems**, the last being a development of our **CMS product division** and having a great potential to become an invaluable asset in day-to-day management for the casino operators.

Thank you for taking the time to become familiar with our product achievements. I sincerely hope that among them you will find the best match for your gaming establishment and that they will bring you the satisfaction of having many new excited players.

Once upon a time, in a far away land, a young princess lived in a shining castle. It wasn't only her beauty that she was famous for in the neighboring kingdoms, but also her gift to tame the fiery nature of the dragons and to speak their language. So she nurtured four mighty creatures that everybody feared, powerful and free, but obedient to their princess. The blue dragon ruled the water, the purple held captive the winds, the green reigned over the land and the red was most furious of all, for he dominated the fire. But above all was their special ability to bring fortune to those who would believe in them.

Four are the levels of the jackpot to which the dragons' power could lead you – Mini, Minor, Major and Grand, and the only way to reach them is to become part of the storyline yourself. The game's name is Dragons' Realm and it unfolds with 5 reels, 4 positions, 40 fixed lines, beautiful graphics and numerous surprises. Prepare for a very happy ending, if the screen fills with one of the dragons, or with the pick-up bonus field. Immerse into the fairytale to become the master of the dragons' power.

FIERY HORN

Choose the African savanna as your next gaming destination. Its austere beauty and abundance of life will make you step outside of your comfort zone and venture into its wilderness. Zebras, elephants, giraffes, buffalos and lions will surround you, as well as the golden chance to win big. You nail it down with the fiery horn of the rhino – your lucky charm and friend on your way to the Grand and Major standalone mystery jackpot levels.

This single-game adventure is of 243 Reel Ways Pay but going deeply into the savanna it may multiply to the astounding 4608 Reel Ways Pay. The additional 6th reel above the main gaming area will be for you a special roller coaster of additional nice surprises, awarding free games, respins and game win multipliers. As for the jackpot levels, you will even have a hint of when they are expected to be dropped – just take a look at the “Must be hit by” field and you will know the accumulated value until which you will triumph over the savanna.

Sands Princess welcomes you to the kingdom of Egypt. Embark on a quest to find the numerous treasures hidden in her domain, meet pharaohs and queens. The EGT's new 5-level progressive jackpot offers the chance to win big, while enjoying this classic theme.

As you walk on the sands of the Pharaoh's Desert or get involved in different adventures with Egyptian Tale and Sands Spirit games – all of 5 reels and 25/50 lines, should you come across at least 6 scarab symbols, you may win the non-progressive Mini and Minor, or the Maxi progressive level that are all stand-alone. The more ambitious explorers of the Sands Princess' kingdom may even reach the two linked progressive levels (Grand and Major) that will turn every sand grain into silver and gold.

Housed in a variety of cabinets, the Sands Princess features a user selectable multi-denomination. Players may win a few or even all of the jackpot levels with any bet they make and will also be nicely surprised by the Free Spins bonus, accompanying their journey in Egypt.

DRAGON'S TURN

Another Asian-themed jackpot system of EGT is ready to bestow good fortune, numerous prizes and immense gaming pleasure. Dragon's Turn turns the luck in your favor with its 4 progressive jackpot levels Mini, Minor, Major and Grand. Each of them has different base values for a certain denomination and can be hit with any bet, except for the Grand one where the odds are better with the higher stakes.

Dragon's Turn has up in its sleeve numerous surprises. Beautiful animations – the Dragon is a lucky charm, an intriguing Fortune Twins and Eternal Lotus Gold main games of 5 reels and two wheels – an outer bonus and an inner jackpot one, that are random, change their sectors when a larger wager is laid, and look like the well-known physical wheels, matching the same type of gaming with their equal odds sectors.

The jackpot system is rich in ways to entertain the players. The main games offer different incentives, but both of them may lead to the bonus wheel and its numerous prizes: credits, super games, winnings upgrade and an additional spin of the bonus, or the jackpot wheel.

Players may enjoy the Dragon's Turn in variety of EGT cabinets and with bets of 60, 120, 180, 240, 300 credits and up to three consecutive denominations (such as 0,01/0,02/0,05).

PREMIUM Link

Premium Link is a jackpot system where EGT games from General, Power, Collection, Premier and older series like Vega Vision+ and Vega Vision can be linked together in order to participate for common mystery and symbol driven progressive jackpots.

The Premium Link is based on Premium Progressive Controller (PPC) and Media Control Center (MCC) which is used for visualization.

Premium Link supports mystery jackpot with up to 3 levels (Mini, Middle and Super) which are common for all games and denominations. Settings for each mystery jackpot level can be customized, including requirement for minimum bet. The mystery jackpot values are accumulated on the grounds of stakes made on all machines, participating in the jackpots and can be won randomly by each of them.

Premium Link supports symbol-driven jackpots with maximum of 4 denominations each. Each jackpot has its own independent settings. The accumulation is performed on the grounds of stakes made, during the games.

The current values of the mystery and symbol-driven jackpots are visualized on the upper screen of the gaming machines, as well as on the jackpot panel. Whenever a jackpot is won, alluring animations show to the player what amount he's been given.

PREMIUM Link

Gaming machines of other manufacturers also can be linked in order to participate for common mystery jackpots. For this purpose each gaming machine has a special controller – Jackpot Interface Module (JIM). The won jackpots are transferred to the gaming machines as Legacy bonuses via SAS Protocol.

CAI SHEN KINGDOM

Walk in the realm of the God of Wealth Cai Shen with EGT's new Chinese-themed 5-level progressive jackpot. Fat and cheerful, the deity is said to bestow the riches carried about by his attendants. The Cai Shen Kingdom progressive jackpot link gives the players a chance to get their hands on these riches by combining linked and stand-alone jackpot levels.

Beginning at two Mini and Minor non-progressive stand-alone levels, continuing with a Maxi stand-alone progressive level and reaching the journey in Cai Shen's Kingdom at the two Grand and Major progressive levels common for all gaming machines in the link, this jackpot is made to quench the players' thirst for wealth.

Housed in the already established P-27/32H St model and several more cabinets of Premier series, the Chinesethemed games are designed specifically to accompany the Cai Shen Kingdom progressive jackpot link and feature a player-selectable multi-denomination. The player can win a few or even all of the jackpot levels with any bet. And to make the journey through Cai Shen's kingdom even funnier, besides the jackpot bonus, the games offer a Free Spins bonus.

富贵荣华

FU GUI RONG HUA

Fu Gui Rong Hua is a Chinese-themed 4-level progressive jackpot, inspired by the ancient eponymous charm said to bring glory, splendor, riches and prestige and this product of EGT grants them frequently to the players with the chance to hit more than one of its jackpot levels at a time.

The especially designed games for Fu Gui Rong Hua follow the same Chinese style and are of the "Reel 243 Ways Pay" type, where all reels are in play. The higher the bet, the higher the jackpot level that players may hit. The maximum is only reachable when wagering at 58 credits, regardless of the bet multiplier. Betting higher also increases the pay table winnings.

The player could win one or more jackpot levels (depending on his/her bet) during the jackpot bonus game that could be activated whenever the Wild symbol appears on a single or multiple reels and the magic money tree shines and shakes. The bonus feature could be triggered either during the main or the free games.

Fu Gui Rong Hua is housed in the Premier P-42V Up and St Curved cabinets. It is also available in the thematically customized slot models P-27/42V St and P-24/32V Up. On the jackpot panel are projected Chinese-themed entertaining 3D movies, as well as eye-catching celebration animations.

LADY'S CARDS

Lady's Cards is a 4-level mystery progressive jackpot. Each of the Lady's Cards jackpot levels can be won through the special Lady's Cards bonus game which can be triggered randomly at the end of each of the base games. When the Lady's Cards bonus is triggered, 12 cards appear on the screen. During the bonus game, the player chooses which cards to reveal. When he collects 3 cards with the same suit, the bonus game ends and the player wins the corresponding Lady's Cards jackpot level – Clubs, Diamonds, Hearts or Spades.

The player may win any of the four jackpot levels without having to play the maximum bet. However, the higher the bet, the greater the chance to trigger the Lady's Cards bonus and win the highest jackpot level.

Lady's Cards jackpot is designed for players who enjoy the added value of mystery progressive jackpots on their favorite, well-known video games.

The bank of gaming machines with Lady's Cards jackpot can be individually customized through a selection of maximum bet, denominations and jackpot values in order to satisfy the specific requirements of the players.

Also gaming machines of different manufacturers can be connected to the Lady's Cards jackpot system via SAS Protocol through a special controller (Premium Adapter).

Attractive 3D movies and eye-catching celebration animations are projected on the jackpot panel with a 42" monitor.

Casino Management System

spider – The Casino Management System of EGT

Get control over your casino floor

Spider's key features

- **Accounting module** – upgrade your day-to-day casino management activities to the next level and have all the needed detailed reports at hand. Get a clear view on any aspect that will make your business even more successful and be in touch 24/7 with the gaming machines on your casino floor.
- **Cage module** – allows the operators to control all cash operations in the casino, giving them detailed transaction history and real-time balance level .
- **TITO module** – gives you a better control and increased security on the casino cash flow, combined with "promotional tickets" as an additional bonus tool.
- **Security and alarm module** – configure different user access levels and receive real-time notifications from your Spider System. Be sure that your casino will keep on running smoothly as planned.
- **Jackpot module** – increase your players' excitement by adding a local, or wide-area progressive, or mystery jackpot. Customize your system templates to suit your needs and taste.
