# DRAGONS' REALM

# HIGH CASH

Welcome to Dragon's Realm, a faraway land where four magic dragons, masters of the elements, roam free. The game unfolds with 5 reels, 4 positions, 40 fixed lines, beautiful graphics, and numerous surprises. Whenever the dragon's eye looks at you from a total of three positions on the 1st, 3rd, or 5th reel, you will be granted from 5 to 25 free spins, or even access to the jackpot bonus feature.

Once in it, the screen will fill with balls of magic to pick up from and in your hands, each will turn into a dragon. Match three of a kind and you are destined to rule over one of the four jackpots. If during the main game or granted free spins a reel fills with any of the dragons, a spark of intense magic may trigger the respins.

Then you will have the special chance to summon one of them on a full screen. The firebreathing creature will take you on its mighty wings straight to its jackpot and you'll become its new master in the Dragons' Realm.

# HIGH CASH

Meet the princesses of Asia – four gorgeous nobilities, granters of rich winnings, high spirits, and festivity in an exciting single game with a jackpot of 4 levels. The game's 5 reels, 4 positions, and 40 fixed lines open the gates to an exceptional experience that may end with a sky lit up with fireworks. If the golden dragon scatter symbol appears on the 1st, 3rd, and 5th reel, you will be granted 10, 15, or 25 free spins and you may win them again and again if that magic creature keeps visiting you repeatedly.

The princesses themselves have their own whims. When one of them occupies all the positions of a reel, multiple respins may trigger and the more symbols of the royalty you gather, the higher the credit you'll receive.

Fill the whole screen with the image of a princess and you are sure to seize her jackpot riches. There is also a secret passage to the noblewomen's treasure in a special pick-up bonus game that activates randomly but guarantees the favor and treasure of one of the four beauties.

# PRINCESS CASH

# LEPRECHAUN CHANCE TREASURY

# HIGH CASH

If you see a leprechaun, you better give chase – that is the only way to catch him and win grand pots of gold at the end of the rainbow! In the new LepreChance Treasury, luck can strike anywhere with the game's 5 reels, 4 positions and 40 fixed lines, and a thrilling jackpot of 4 levels.

If you happen to stumble on enough enchanted coins, you'll know immediately, as this will grant you up to 12 free spins at a time, and a choice how to play them.

Catching the leprechaun is not that hard and when the fairy troublemaker appears on all the positions of a reel, a number of respins or a High Cash feature may trigger, giving you an extra chance to enter the Treasury.

Once a whole reel is filled with any of the leprechaun's tokens, then you are sure to win a jackpot level. But there is another way to the magic halls of wealth and that is through a special pick-up bonus game that can lead you straight to the jackpot.
